

The Emerald Coast Region of Florida Odyssey of the Mind Association invites you to support and endorse our program for the 2025-2026 season. Odyssey of the Mind develops creative problem-solving skills in students along with teamwork, budgeting, time management, artistry, resourcefulness, and public speaking while reinforcing state STEM requirements. Teams of 5-7 students work to create a solution to one of five “long term” problems that they present in an eight minute skit at our regional tournament. At the tournament, the team will also solve a “spontaneous” problem that they will not see until the moment they compete. In Odyssey of the Mind, the students must come up with all the ideas and do all the work.

About 300 students will compete at our tournament. We need your help to keep this program developing these youth into creative, self-sufficient adults. Please consider sponsoring our region.

Sponsorship Levels:

Level	Cost	Recognition
Tournament	\$500	Logo on regional website, 1/4 page in program, banner at tournament
Problem	\$250	Logo on regional website, 1/8 page in program, sign at tournament
OMER	\$100	Name on regional website and in program
